## **A Message from the Recruitment Team**

Thank you for taking the time to consider the Halton Hills Fire Department as a career opportunity. Built on tradition and working towards leadership in our profession, our composite department contributes to the quality of life and safety of our community.

Given the amount of trust the public places on our profession, we expect our staff to act with integrity and demonstrate a strong work ethic. We are looking for employees, who strive for excellence, exhibit a selfless sense of duty and continually look for ways to improve themselves and the department.

Our community and fire department are growing. We are looking for candidates who are excited to be a part of a growing organization.

Please read through the recruitment guide carefully. There are many steps involved in the process and each has distinctive expectations and timing. The selection process not only tests your physical and technical skills, it also looks at how your personal values fit with the organization.

# Town of Halton Hills

The Town of Halton Hills believes one of the key elements of an engaged and innovative workforce is providing employees with a work environment that is supportive, inclusive and respectful – it fosters a sense of pride and dedication.

The Town values and expects the following from all staff:

- Respect
- Honesty
- Excellence
- Creativity
- Team
- Fun

Firefighters are expected to maintain a high standard of professionalism, solve problems, work as part of a dynamic team and possess excellent interpersonal and organizational skills.

Teamwork is very important; Firefighters work together in close quarters throughout their shift schedule. This requires all team members to depend on each other to perform their duties successfully whether having to share routine tasks at the fire station, providing services at an emergency scene, or providing service assistance to other agencies and/or the public.

We challenge you to look within yourself to see if you have what it takes to meet the expectations of this career. We ask you these questions:

- What unique skills can you offer our department?
- What sets you apart from the other candidates?
- Can you work in an environment that follows a strict code of conduct and chain of command?
- Can you work at different locations, varying shifts and statutory holidays?
- Are you able to function in an environment where you spend long hours working together with your team in close quarters?
- Can you work safely in an environment that exposes you to hazards and risks?

Good luck as you move through the recruitment process.

# Firefighter Position

## General Information

Career firefighters provide emergency response to a wide variety of occurrences including fires, emergency medical calls, motor vehicle accidents and alarm system activations.

Firefighters are also required to respond in highly specialized areas of expertise such as:

- Hazardous materials;
- High level rope rescue;
- Ice/water rescue; and,
- Emergency patient care.

Other duties include, but are not limited to, delivering fire safety public education, performing station duties such as tours, cleaning, maintaining grounds and acting as ambassadors of the fire department. You are expected to follow the Town of Halton Hills policies and fire department policies and guidelines. Maintaining mental and physical wellness is key in fulfilling your job requirements.

As a firefighter you will receive extensive training followed by continuous in-service training. This education not only provides knowledge of the latest developments in firefighting and rescue techniques but also covers the handling of hazardous materials, emergency medical procedures, and fire prevention legislation. Firefighters use teaching skills to pass this knowledge on to the public, promoting fire prevention and safety awareness.

Equally important is the capacity to assess a situation and act accordingly as per your training and experience. Firefighters are frequently called upon to use their foresight, training and judgement to rescue others and protect themselves and their co-workers.

Firefighting is a para-military organization. Firefighters must be able to work effectively as a team and accept direction and carry out orders from superior officers without question.

What you can expect?

There is a twelve-month probationary period in which the firefighter will undergo extensive in-service training. If you fail to meet performance standards during this training period, your employment may be terminated. Successful candidates will become members and are represented by the Halton Hills Professional Firefighters' Association, Local 3327.

# Selection Process

The Town of Halton Hills uses a process that promotes fairness and equity among candidates. We urge you to read through this entire section to gain a better understanding of the process. We have tried to include the timing and submission requirements at each step to assist you as you prepare for this process.

The recruitment process is lengthy and involves many steps. This ensures that we hire candidates that are best suited to the position and our organization. Being prepared is an important part of a firefighter's job and this starts with the recruitment process.

Outlined below is a brief description of the process that the Town of Halton Hills will be following. A chart has been included at the end of this guide, which outlines dates and documentation required for each step in the process. These dates may be

changed based on circumstances. Movement from one step to the next will depend on the applicants' performance at each step. Costs associated with obtaining qualifications, certificates, and mandatory requirements are the responsibility of the candidate.

## The selection process consists of the following steps:

- Step One** Candidates are responsible for ensuring they meet the Mandatory, and if applicable, the Preferred Qualifications
- Step Two** Applicants Register with Firefighter Services of Ontario
- Step Three** Pre-Employment Testing at Firefighter Services of Ontario (FSO)
- Step Four** Apply in-person at Firefighter Services of Ontario
- Step Five** Human Relations Test
- Step Six** Candidate Interviews
- Step Seven** Second Round Interviews if required
- Step Eight** Candidate reference checks and clearance letters
- Step Nine** Medical test
- Step Ten** Offer of employment
- Step Eleven** Employment start date
