**TAKE NOTICE** that the Council for the Corporation of the Town of Halton Hills passed By-law No. 2018-0048 (OPA 32) on the 9<sup>th</sup> day of July, 2018 under Section 17 of the Planning Act, R.S.O. 1990, c, P.13 as amended.

The purpose and effect of Amendment No. 32 is to establish a Secondary Plan for a 412 hectare Future Residential/Mixed Use Area adjacent to the Georgetown Urban Area and bounded by Trafalgar Road, 15 Side Road, Eighth Line (Main Street) and 10 Side Road. A map of the study area is included as Attachment 1. The Secondary Plan includes appropriate land use designations and policies to facilitate the development of these lands as a new residential community with complementary uses including a Natural Heritage System, schools, parks, stormwater management facilities, commercial areas, and community facilities such as a library and community centre.

All submissions received regarding OPA 32 were considered as part of the Town's review process. As a result of comments submitted and further consideration by the project team, a number of changes were made to the amendment. Some of the more significant revisions include:

- Inclusion of policies that recognize that additional studies are required, and the results of these studies may result in revised boundaries or land efficiencies;
- Some of the uses in the Community Core were redistributed to take advantage of opportunities provided by the two abutting intersections;
- The secondary/elementary school campus was relocated to the west; and
- The north west Local Commercial Mixed Use block was relocated to the northern Collector and Trafalgar Road however the location is still to be confirmed through preparation of a plan for the Community Core area.
