What is the Community Better Challenge?

The Community Better Challenge is ParticipACTION's new annual physical activity challenge that rallies communities coast to coast to sit less and move more together. Canadians are challenged to get active and incorporate physical activity where they live, work and play.

As individuals or as part of an organization, we are asking Canadians to get active and track their physical activity minutes in an effort for their community to be recognized as one that champions active living. At the conclusion, we'll recognize and celebrate community achievements, crowning regional winners and ultimately appointing one community with the designation of Canada's Most Active Community!

Is there a prize for winning?

Is there ever! The winning community will receive \$150,000 towards recreation or active living initiatives – just by tracking minutes!

When will it take place?

The challenge will kick-off in Halton Hills at the grand opening of the Gellert Skatepark on May 25th. Track your minutes from May 31st to June 16th.

Where can I find out more info?

This event is being championed by the Town of Halton Hills under the Active Easy brand. Learn more about the challenge and other active living initiatives at www.haltonhills.ca/activeeasy.
