

MAYOR'S MESSAGE

It is my pleasure on behalf of Town Council, to present the 2019-2020 Community Activity & Service Guide packed with an array of programs and services for all ages.

Understanding needs to meet service demands, supporting residents and local organizations and encouraging healthy lifestyles is integral to the business of recreation and fundamental to building a healthy community. To guide decision-making over the next 5 years, the Recreation and Parks Department is updating the Strategic Action Plan which included a review of recreation fees conducted earlier this year. Public consultation is an important component of planning so thank you to those who have provided input and to those who will take advantage of upcoming opportunities to share your thoughts.

We have continued to invest in our infrastructure with the opening of Gellert Skatepark and three new baseball diamonds at Trafalgar Sports Park which are scheduled to open next spring. The Town enjoyed a successful partnership with Georgetown Slopitch and Halton Hills Minor Baseball Association collectively raising over \$339,000 for the diamonds known as 'Field of Dreams'.

I like to say that Halton Hills is 'small town living at its best' and this sentiment has certainly been realized with a number ten provincial ranking in the Community Better Challenge by ParticipACTION. Hundreds of participants tracked thousands of active minutes – many taking advantage of the free activities offered by the municipality. Congratulations to all who took part!

Keeping it real,

Mayor Rick Bonnette
905-873-2601 ext. 2342
