PROGRAMS for KIDS & FAMILIES

Baby Tales

Music, rhythm, rhymes and puppets for babies 0-23 months. One child per adult recommended; additional adults welcome.

Tales for Twos

Picture books, felt board stories, music and puppets for you and your two-year-old (24-35 months). One child per adult recommended; additional adults welcome.

KinderPrep

A thirty-minute program that helps prepare children for Kindergarten including stories, music and puppets as well as early-learning concepts. Three to five year olds attend on their own with adults remaining in the building. If your child will reach the minimum age limit within 30 days after the start of the program, please contact the library to register.

Mini-Makers

Here's a new program for kids 6-8 years old! Using fun elements like snap circuits, clay, or construction materials, we'll make and learn something amazing every week. We'll even make some yummy treats. **Fee: \$40.** Ages 6-8. Registration required.

Robo-Geek

These hands-on 8 week programs will encourage kids to think creatively, reason systematically, and work collaboratively as they learn coding, electronics, and robotics. **Fee: \$265.** Ages 8-14. Registration required. Fall: Scratch; Winter: Python.

Baby Rhyme and Romp

A free one-hour program for babies 0-23 months and their parents/caregivers. It includes 30 minutes of nursery rhymes, music, puppets and bounce and tickle rhymes plus time to explore educational toys and socialize. No need to register - just drop in!

Family Storytime

Stories, music and lots of fun for families with young children. No need to register – just drop in.

S.T.E.A.M. Storytime

Stories, music, and some hands-on science for families with young children. No need to register - just drop in!

HALTON HILLS LECTURE SERIES

Discover new ideas, challenge your opinions, and explore current events with the return of our successful Halton Hills Lecture Series lineup. Each lecture is one hour in length, with a question-and-answer session following the presentation.

The 2018-19 Lecture Series will feature a variety of experts on topics including Marijuana Legislation, Lucy Maud Montgomery, Genealogy and DNA Testing, Arctic Explorers, and many more!

Visit www.hhpl.on.ca for the full schedule of speakers.

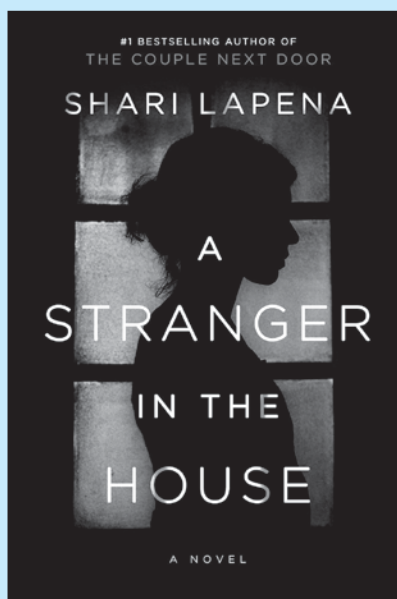

Halton Hills
Lecture Series

Give new life to everyday items! Our experts will assist with the repair of clothing and small household items.

Saturday, September 29th from 9:30 a.m. to 12:30 p.m. at the Georgetown Branch. Note: Replacement parts supplied by owner.

ONE BOOK ONE HALTON HILLS

Created as a way to foster literacy in our community, One Book, One Halton Hills encourages everyone to read and discuss the same book. This year, we're excited to have selected internationally bestselling author Shari Lapena. Her novel *A Stranger in the House* is a fast-paced psychological thriller that poses the question: How well do you know your spouse?

Don't miss **"An Evening with Shari Lapena"** on Wednesday, September 19th at 7:30 p.m. in the John Elliott Theatre. Check our website for more information on tickets and all of our One Book programming.
